PATENT

TECH CENTER 1600/2900

The foregoing election is made with traverse, as the seven groups set forth by the Examiner all stem from a common concept and theory, and are thus related. As such, prosecution of the claims of Groups I-VII would not place a substantially greater burden on the Examiner. Applicants therefore respectfully request that the Examiner withdraw the Restriction Requirement and consider all the claims together.

Respectfully submitted,

A handwritten signature in cursive script that reads "Annette S. Parent".
